**PETITIONING THE COURT**

To modify the conditions of supervision as follows:

*The defendant will reside at a Residential Reentry Center, such as the Renewal Center Inc., for a period not to exceed 180 days, or until discharged by the Probation Office. The defendant shall observe the rules of the facility, and the subsistence fee owed to the Residential Reentry Center will be waived in full, as opposed to the previously established 25% of gross income for subsistence payments.*

**Justification**

The defendant is scheduled to be released from Renewal Inc. on January 4, 2023 and commence supervised release on that same date. The defendant has no viable home plan, or approved residence, to be released to on January 4, 2023. Accordingly, the defendant's placement in Renewal Inc. should be extended until such time that he can be released to an approved residence to commence supervised release.

The Waiver of Hearing and an Order on Petition to Modify Conditions or Term of Supervision are attached for the Court's consideration.
